PROPOSED AMENDMENT TO SECTION 5.1 OF THE CHARTER OF THE CITY OF JACKSON, TO CHANGE THE FILING DEADLINE FOR CANDIDATES SEEKING ELECTION TO CITY OFFICE.

This amendment would amend Section 5.1 of the City Charter to reflect the filing deadline imposed by state election law for filing nominating petitions to run for city office, by 4 p.m. on the twelfth Tuesday prior to the primary election of each odd-numbered year, and to delete the current deadline of 56 days before the primary which is no longer enforceable.

**BOND PROPOSAL**

Shall the Jackson Public Schools, County of Jackson, Michigan, borrow the principal sum of not to exceed Sixteen Million Six Hundred Forty Thousand Dollars (\$16,640,000) and issue its general obligation unlimited tax bonds for the purpose of defraying the cost of constructing additions to and remodeling, equipping, furnishing, reequipping and refurbishing existing School District buildings; acquiring and installing technology infrastructure and equipment in School District buildings; and improving and developing sites, including outdoor athletic fields, facilities and structures in the School District and acquiring school buses?

The estimated millage to be levied in 2010 to service this issue of bonds is 1.01 mills (\$1.01 per \$1,000 of taxable value) and the estimated simple average annual millage rate required to retire the bonds of this issue is 0.94 mills (\$0.94 per \$1,000 of taxable value). The School District estimates that the debt millage levy required to retire the Bonds of the District currently outstanding and proposed by this ballot proposal will be at or below 1.00 mill more than the School District's 2009 debt levy. The bonds may be issued in one or more series, payable in the case of each series in not to exceed twenty-five (25) years from the date of issue of such series. If the School District borrows from the State to pay debt service on the bonds of this issue, the School District may be required to continue to levy mills beyond the term of the bonds to repay the State.

*(Under State law, bond proceeds may not be used to pay teacher, administrator or other employee salaries, routine maintenance costs or other School District operating expenses.)*
