The estimated revenue to be collected in the first year the millage is authorized and levied is \$578,431.

The proposed millage is a renewal of a previously authorized millage of one mill on August 5, 2008 and does not constitute new additional millage.

**COUNTY OF JACKSON  
DEPARTMENT ON AGING  
MILLAGE RENEWAL AND RESTORATION QUESTION**

**For the purpose of renewing and restoring funding necessary to maintain services for senior citizens in Jackson County at the same millage level previously approved by the voters in 2004, shall the constitutional limitation upon the total amount of taxes which may be assessed in one (1) year upon all property within the County of Jackson, Michigan, of the previously authorized reduced millage of 0.2473 of one (1) mill be restored, and a renewal of 0.0027 of one (1) mill, to return to the previously voted total limitation of 0.25 mill (\$0.25 per \$1,000 of taxable value), for a period of eight (8) years (2012-2019) inclusive?**

If approved and levied in full, this millage will raise an estimated \$992,000.00 in the first calendar year of the levy based on taxable value.

If approved and levied, in accordance with State law a portion of the millage may be distributed to the Downtown Development Authorities of the City of Jackson, the Villages of Grass Lake and Springport, and the Townships of Blackman and Leoni; the Local Development Finance Authorities of the Village of Parma and the Township of Blackman; and the Brownfield Redevelopment Authority of the City of Jackson.

## SPECIAL EDUCATION MILLAGE PROPOSAL

This proposal will increase the levy by the intermediate school district of special education millage previously approved by the electors.

Shall the limitation on the annual property tax previously approved by the electors of Jackson County Intermediate School District, Michigan, for the education of students with a disability be increased by 1.55 mills (\$1.55 on each \$1,000 of taxable valuation), for a period of 6 years, 2012 to 2017, inclusive (0.9 mill of the above is a renewal of millage which expires with the 2012 tax levy and 0.65 mill is a millage increase, in part to restore previous Headlee reductions); the estimate of the increased revenue the intermediate school district will collect if the millage is approved and levied in 2012 is approximately \$2,693,502 from local property taxes authorized herein?

**Township Proposition No. 1**  
**Renewal of Previously Authorized**  
**Additional Millage for Police Protection**

The Township of Parma proposes to increase the limitation on general ad valorem taxes, as established by Article IX, Section 6 of the Michigan Constitution, by 0.497 mills (\$0.497 per \$1,000.00 of taxable value) upon all taxable real and personal property within the Township for a period of five (5) years, 2012 through 2016, inclusive, to provide funds for a portion of the costs for police protection within the Township. This proposed millage is a renewal of a previously authorized millage.

If approved, it is estimated that the levy of 0.497 mills will provide revenue of \$34,012 in the first calendar year of the levy. The tax revenue received by the Township will be disbursed to the Township of Parma for police protection.

It is the intent of the Township to fund a portion of the costs of police protection through this approval/renewal of additional millage. Any amounts not provided from the proceeds of the additional, renewal millage will be supplemented from the Township's General Fund

Shall this renewal of an additional millage be approved?
