Shall Hillsdale County Intermediate School District, Michigan, come under sections 681 to 690 of the Revised School Code, as amended, and expand an area career and technical education program, which is designed to encourage the operation of area career and technical education programs, if the annual property tax levied for this purpose is limited to .6082 mill (\$0.6082 on each \$1,000 of taxable valuation) for a period of 20 years, 2020 to 2039, inclusive; the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2020 is approximately \$703,332 from local property taxes authorized herein?

INGHAM INTERMEDIATE SCHOOL DISTRICT
SPECIAL EDUCATION MILLAGE PROPOSAL
(RESTORATION OF HEADLEE REDUCTION)

This proposal requests additional millage to permit the continued levy by the intermediate school district of the maximum mills for special education previously approved by the electors.

Shall the current charter limitation on the annual property tax rate for the education of students with a disability in Ingham Intermediate School District, Michigan, be increased by 0.2438 mill (\$0.2438 on each \$1,000 of taxable valuation) for a period of 20 years, 2020 to 2039, inclusive (this increase will allow the intermediate school district to levy the maximum rate of 4.75 mills previously approved by the electors that has been reduced as required by the Michigan Constitution of 1963); the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2020 is approximately \$2,300,000 from local property taxes authorized herein?

Springport Township Police Millage Renewal

Shall Springport Township impose a renewal of 2.5 mills (\$2.50 per \$1,000 of taxable value) in the tax limitation imposed under Article IX, Sec. 6 of the Michigan Constitution and levy it for 5 years, 2020 through 2024 inclusive, for Police Protection, which 2.5 mills renewal will raise an estimated \$172,567 in the first year the millage is levied.
