BALLOT PROPOSITION INFORMATION:

BONDING PROPOSAL

Shall Columbia School District, Jackson, Lenawee, Washtenaw and Hillsdale Counties, Michigan, borrow the sum of not to exceed Five Million Dollars (\$5,000,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of:

remodeling, furnishing and refurnishing and equipping and re-equipping school buildings; developing and improving sidewalks, driveways, parking lots, playgrounds and athletic facilities; and developing and improving sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2011 is 0.35 mill (\$0.35 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, will not exceed ten (10) years for any single series of bonds. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.03 mills (\$1.03 on each \$1,000 of taxable valuation).

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

OPERATING MILLAGE PROPOSAL

This proposal will allow the school district to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hanover-Horton School District, Jackson and Hillsdale Counties, Michigan, be increased by 3.5 mills (\$3.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2011 to 2015, inclusive, to provide funds for operating purposes (3.3688 mills of the above is a renewal of millage which expired with the 2010 tax levy and 0.1312 mill is a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963); the estimate of the revenue the school district will collect if the millage is approved and levied in 2011 is approximately \$990,000?
